

#### INDEPENDENT AUDITOR'S REPORT

To.

The Members of GE1 Expressway Private Limited (formerly known as IRB PP Highway Private Limited)

#### Report on the Audit of the Financial Statements

#### **Opinion**

We have audited the accompanying financial statements of GE1 Expressway Private Limited (formerly known as IRB PP Highway Private Limited) ("the Company"), which comprise the balance sheet as at March 31, 2023, the statement of Profit and Loss, statement of changes in equity and statement of cash flows for the year then ended and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS Financial Statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2023 and its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

#### **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by ICAI and specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Management Discussion and Analysis, Business Responsibility Report and Report on Corporate Governance but does not include the financial statements and our auditors' report thereon. The above-referred information is expected to be made available

to us after the date of this audit report.
Unit No 122, 1st Floor, Nahar & Seth Industrial Estate, Cardinal Gracious Rd, Chakala, Andheri (E), Mumbai 400099.

mumbai@mkps.in

www.mkps.in

FRN

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

When we read the other information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take appropriate actions necessitated by the circumstances and the applicable laws and regulations. We have nothing to report on this.

# Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

## Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

302014E

- Identify and assess the risks of material misstatement of the financial statements,
  whether due to fraud or error, design and perform audit procedures responsive to those
  risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for
  our opinion. The risk of not detecting a material misstatement resulting from fraud is
  higher than for one resulting from error, as fraud may involve collusion, forgery,
  intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the IndAS Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Ind AS Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in:

- i. planning the scope of our audit work and in evaluating the results of our work; and
- ii. to evaluate the effect of any identified misstatements in the Ind AS Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

# Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013 (the Act), we give in **Annexure** – I a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

## CHARTERED ACCOUNTANTS

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books
- (c) The Balance Sheet, the Statement of Profit and Loss, and the statement of cash flows dealt with by this Report are in agreement with the books of account
- (d) In our opinion, the aforesaid financial statements comply, in material respect, with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors as on 31st March, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.
- **(f)** With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in **Annexure II.**
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - i) The Company does not have any pending litigations of which impact is required to be disclosed on its financial position.;
  - ii) Based on the assessment made by the company, there are no material foreseeable losses on its long-term contracts that may require any provisioning.
  - iii) In view of there being no amounts required to be transferred to the Investor Education and Protection Fund for the year under audit, the reporting under this clause is not applicable.
  - iv) A) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
    - B) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- C) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11 (e) as provided under (A) and (B) above contain any material misstatement.
- v) The company has neither declared nor paid any dividends during the year under audit.
- vi) Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable to the Company with effect from April 1, 2023, and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is not applicable for the financial year ended 31st March, 2023.

UDIN: 230469131344NKG2735

Date: 08-05-2023 Place: Mumbai Annexure – I to the Independent Auditors Report Referred to in our report of even date, to the members of GE1 Expressway Private Limited (formerly known as IRB PP Highway Private Limited) for the year ended March 31, 2023

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

- i) (a) The company does not have any property, plant and equipment or Intangible assets or immovable properties. Hence, the reporting requirements under subclause (a) (b), (c) and (d) of clause (i) of paragraph 3 of the order are not applicable.
  - (e) According to the information and explanations provided to us and on the basis of our examination of the records of the company, we report that no proceedings have been initiated during the year or are pending against the company as at March 31, 2023 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.
- ii) (a) In our opinion, and according to the information and explanations given to us, the company does not carry any inventories. Hence, the reporting requirements under sub-clause (a) of clause (ii) of paragraph 3 of the order are not applicable.
  - (b) The company has not been sanctioned any working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets and hence the reporting requirements under sub-clause (b) of clause (ii) of paragraph 3 of the order are not applicable.
- According to the information and explanations provided to us and on the basis of our examination of the records of the company, we report that the company has not made any investments in, nor provided any guarantee or security nor granted any loans or advances in the nature of loans, to companies, firms, Limited Liability Partnerships or any other parties. Hence, the reporting requirements under clause (iii) of paragraph 3 of the order are not applicable.
- iv) In our opinion and according to the information and explanations given to us, the company has not advanced any loans to directors / to a company in which the Director is interested to which the provisions of section 185 of the Act apply. Further, based on the information and explanations given to us, being an infrastructure company, the provisions of section 186 of the Act to the extent of loans, guarantees and securities granted are not applicable to the company. Hence, the reporting requirements under clause (iv) of paragraph 3 of the order are not applicable.
- v) In our opinion and according to the information and explanations given to us, the company has not accepted any deposits during the period under audit. Consequently, the directives issued by Reserve Bank of India and the provisions of sections 73 to 76 of the Act and the rules framed thereunder are not applicable.
- vi) The maintenance of cost records has not been specified by the Central Government under sub-section (1) of section 148 of the Act for the company. Hence, the reporting requirements under clause (vi) of paragraph 3 of the order are not applicable.

- vii) (a) In our opinion and according to the information and explanations given to us and based on our examination of the books of the company, the company is generally regular in depositing undisputed applicable statutory dues including Goods and Services Tax, provident fund, employees' state insurance, income-tax, and any other material statutory dues to the appropriate authorities.

  There are no undisputed amounts payable in respect of Goods and Services Tax, provident fund, employees' state insurance, income-tax, and any other material statutory dues in arrears as at March 31, 2023 for a period of more than six months from the date they became payable.
  - (b) According to the information and explanations given to us, there are no statutory dues referred to in clause (a) above which have not been deposited on account of any dispute.
  - viii) In our opinion and according to the information and explanations given to us, there are no transactions relating to previously unrecorded income that has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.
  - (a) According to the information and explanations given to us and as per the books of accounts and records examined by us, in our opinion, the company has not defaulted in the repayment of loans or other borrowings or in the payment of interest thereon to any lender.
    - (b) In view of there being no borrowing from banks, the reporting requirements under sub-clause (b) of clause (ix) of paragraph 3 of the order are not applicable.
    - (c) In our opinion and according to the information and explanations given to us, no fresh term loans have been taken during the year.
    - (d) On an overall examination of the financial statements of the company, in our opinion, no funds raised on short term basis have been prima-facie being used for long term purposes during the year.
    - (e) The company does not have any subsidiary, joint venture or associate and hence the reporting requirements under sub-clause (e) and (f) of clause (ix) of paragraph 3 of the order are not applicable.
    - (a) According to the information and explanations provided to us and based on our examination of the books of accounts and other records, we report that the company has not raised any moneys raised by way of initial public offer or further public offer (including debt instruments) during the year. Hence, the reporting requirements under sub-clause (a) of clause (x) of paragraph 3 of the order are not applicable.
      - (b) According to the information and explanations provided to us and based on our examination of the books of accounts and other records, we report that the company has not made any preferential allotment or private placement of shares and hence the compliance of the requirements of section 42 and section 62 of the Act are not applicable.
    - Based on the audit procedures performed by us for the purpose of reporting the true and fair view of the financial statements and as per the information and explanations given to us by the management, we report that we have neither come across any instance of fraud by the company or on the company by its officers or employees, noticed or reported during the year, nor have we been informed of any such case by the management.

(b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government during the year and till the date of this report.

(c) According to the information and explanations provided to us, no whistle blower complaints have been received during the year and upto the date of

this report.

- xii) The company is not a Nidhi Company and hence the reporting requirements under clause (xii) of paragraph 3 of the order are not applicable.
- According to the information and explanations given to us, all transactions entered into by the company with related parties are in compliance with section 177 and 188 of the Act where applicable and the details thereof have been disclosed in the financial statements as required by the applicable accounting standards.
- xiv) a) In our opinion, the company has an internal audit system commensurate with the size and nature of its business.
  - b) We have considered the internal audit reports for the year under audit, issued to the company, in determining the nature, timing and extent of audit procedures.
- As per the information and explanations provided to us, the company has not entered into any non-cash transactions with directors or persons connected with them and hence the provisions of section 192 of the Act are not applicable to the company.
- In our opinion and according to the information and explanations given to us, the company is not required to be registered under Section 45 IA of the Reserve Bank of India, 1934. Hence, the reporting requirements under subclause (a), (b) and (c) of clause (xvi) of paragraph 3 of the order are not applicable.

b) According to the information and explanation given to us by the management, in our opinion, there is no Core Investment Company as part of the Group. Hence, the reporting requirements under sub-clause (d) of clause (xvi) of paragraph 3 of the order are not applicable.

- xvii) The company has incurred cash losses of Rs. 0.24 million and Rs. 0.32 million in the current year and in the immediately preceding year respectively.
- xviii) There has been no resignation of statutory auditors during the year.
- On the basis of the financial ratios, ageing and expected dates of realisation of assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that the company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts upto the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company

as and when they fall due.

- xx) The provisions of section 135 of the Act are not applicable to the company for the year under audit and hence the reporting requirements under sub-clause (a) & (b) of clause (xx) of paragraph 3 of the order are not applicable.
- Reporting under Paragraph 3(xvi)(a) of the Order is not applicable to the Company as the Ind AS Financial Statements under reporting are not consolidated Ind AS Financial Statements.

Annexure - II to the Independent Auditors Report

Referred to in para 8 of our report of even date, to the members of GE1 Expressway Private Limited (formerly known as IRB PP Highway Private Limited) for the year ended March 31, 2023

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of GE1 Expressway Private Limited (formerly known as IRB PP Highway Private Limited) ("the Company") as of March 31, 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

## Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

## Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

#### Note 1 : Corporate Information

Company has been changed from IRB PP Project Private Limited to GE1 Expresseway Private Limited (formerly known as IRB PP Project Private Limited) (the Company) is a company incorporated on April 20, 2018 under Companies Act, 2013. GE1 Expresseway Private Limited is a subsidiary of IRB Infrastructure Developers Limited ('IRBIDL'). IRBIDL being a public company, the Company has also become a public company in accordance with the provisions of the Companies Act, 2013. The name of the company has been changed from IRB PP Project Private Limited to GE1 Expresseway Private Limited with effect from the dated December 28, 2021 with main objects To carry on the business of infrastructure development in respect of Acess Controlled Six Lane (Expandable to Eight Lane) Greenfield "Ganga Expressway" (Group -I, from Km. 7+900 (Village: Bijoli, Distt: Meerut) to Km. 137+600, (Village: Nagla Barah, Distt: Budaun) ,Design length 129.700 Km) in the state of Uttar Pradesh on DBFOT (Toll) basis under PPP, including collection and retention of the toll or fee and to carry out the ancillary activites, in relation of the foregoing, as specified in the Concession Agreement to be executed with the Utar Pradesh Expressways Industrial Develoopment Authority (UPEDIA).

The Company is a subsidiary of IRB Infrastructure Developers Limited ('IRBIDL'). IRBIDL being a public company, the Company has also become a public company in accordance with the provisions of the Indian Companies Act, 2013.

The registered office is loacated at 1101, 11th Floor, Hiranandani Knowledge Park, Technology Street, Opp Hiranandani Hospital, Powai, Mumbai - 400 076.

The financial statements were authorised for issue in accordance with a resolution of the directors on May 08,2023.

#### Note 2: Basis of preparation

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of Companies Act, 2013, (the 'Act') and other relevant

. The financial statements are presented in Indian Rupee ('INR') which is also the Company's functional currency and all values are rounded to the nearest millions, except when otherwise indicated. Wherever amount represented "0" (Zero) construes value less than Rupees Five

The financial statements have been prepared on a historical cost basis, except for certain financial assets and liabilities (refer accounting policy regarding financial instruments) which have been measured at fair value.

# Note 3: Summary of significant accounting policies

## 3.01 Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

#### A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

Notes to financials statement for the year ended March 31,2023

#### 3.02 Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

> In the principal market for the asset or liability, or

> In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2- Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly

Level 3 -Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The Company's Management determines the policies and procedures for both recurring fair value measurement, such as derivative instruments and unquoted financial assets measured at fair value, and for non-recurring measurement, such as assets held for distribution

At each reporting date, the Management analyses the movements in the values of assets and liabilities which are required to be remeasured or re-assessed as per the Company's accounting policies. For this analysis, the Management verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents.

The management also compares the change in the fair value of each asset and liability with relevant external sources to determine whether the change is reasonable.

On an interim basis, the Management present the valuation results to the Audit Committee and the Company's independent auditors. This includes a discussion of the major assumptions used in the valuations.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

This note summarises accounting policy for fair value. Other fair value related disclosures are given in the relevant notes.

#### 3.03 Taxes

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted at the reporting date in the countries where the Company operates and generates taxable income.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity . Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

#### 3.04 Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

#### 3.05 Leases

SOCA

302014E

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfillment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

A lease is classified at the inception date as a finance lease or an operating lease. A lease that transfers substantially all the risks and rewards incidental to ownership to the Company is classified as a finance lease.

A leased asset is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the Company will obtain ownership by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease

perating lease payments are recognised as an expense in the statement of profit and loss on a straight-line basis over the lease term.

#### 3.06 Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or nonoccurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably. The Company does not recognise a contingent liability but discloses its existence in the financial statements.

## 3.07 Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or Companys of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators.

#### 3.08 Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost

#### 3.09 Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

#### Financial assets

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

#### Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below: For purposes of subsequent measurement, financial assets are classified in four categories;

Debt instruments at amortised cost

Debt instruments at fair value through other comprehensive income (FVTOCI)

Debt instruments, derivatives and equity instruments at fair value through profit or loss (FVTPL)

Equity instruments measured at fair value through other comprehensive income (FVTOCI)

#### Financial Assets at amortised cost

A financial assets is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the

This category is the most relevant to the Company. All the Loans and other receivables under financial assets (except Investments) are nonderivative financial assets with fixed or determinable payments that are not quoted in an active market. Trade receivables do not carry any interest and are stated at their nominal value as reduced by impairment amount.

After initial measurement such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss, The losses arising from impairment are recognised in the profit or loss. This category generally applies to trade and other receivables.

Notes to financials statement for the year ended March 31,2023

Also the receivable from group companies are considered to be good and there are neither been any past instances of default and also management doesn't expect any default in case of group receivables.

Balance trade receivables majority pertain to Government receivables. Hence there is no major risk of bad debts. However the company experiences a delay of 5-6 months from receiving the payment. Management believes that the impact of above delay would not be material to the company

Other Financial Assets mainly consists of Loans to employees and Security Deposit and other deposits, interest accrued on Fixed Deposits, loans to related party, Bank Guarantee Margin receivable from related party, Retention money receivable from NHAI, Grant receivable from NHAl and other receivables and advances measured at amortized cost.

Following are the policy for specific financial assets:-

Type of financial asset	Security deposit is in the nature of statutory deposits like electricity, telephone deposits. Since
Security Deposit	the ware kept with Government bodies, there is low risk.
Loans/ Bank guarantee to related party	Loan/ Bank Guarantee to group companies are considered to be good and there are neither been any past instances of default and also management doesn't expect any default in case of group receivables.
Retention money/ Grant receivable	Retention money/ grant majorly pertain to Government receivables. Hence there is no majorisk of bad debts.

#### Financial liabilities

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, trade

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts and other payables.

#### Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

## Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the group that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

This is the category most relevant to the Company. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. However, the company has borrowings at floating rates. Considering that the impact of restatement of effective interest rate, year on year due to reset of interest rate, is not material and hence the company is amortising the transaction cost in straight line basis over the tenure of the loan. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the transaction cost amortisation process.

This category generally applies to borrowings.

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously

#### 3.10 Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

#### 3.11 Revenue recognition

The Company has adopted Ind AS 115, Revenue from Contracts with Customers, with effect from 01 April 2018. The Company has applied the following accounting policy for revenue recognition:

### Revenue from contracts with customers:

The Company recognises revenue from contracts with customers based on a five step model as set out in Ind AS 115:

Step 1. Identify the contract(s) with a customer: A contract is defined as an agreement between two or more parties that creates enforceable rights and obligations and sets out the criteria for every contract that must be met.

Step 2 Identify the performance obligations in the contract: A performance obligation is a promise in a contract with a customer to transfer

Step 3. Determine the transaction price: The transaction price is the amount of consideration to which the Company expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties.

Step 4. Allocate the transaction price to the performance obligations in the contract: For a contract that has more than one performance obligation, the Company will allocate the transaction price to each performance obligation in an amount that depicts the amount of consideration to which the Company expects to be entitled in exchange for satisfying each performance obligation.

Step 5. Recognise revenue when (or as) the entity satisfies a performance obligation.

The Company satisfies a performance obligation and recognises revenue over time, if one of the following criteria is met:

- 1. The customer simultaneously receives and consumes the benefits provided by the Company's performance as the Company performs; or
- 2. The Company's performance creates or enhances an asset that the customer controls as the asset is created or enhanced; or
- 3. The Company's performance does not create an asset with an alternative use to the Group and the entity has an enforceable right to payment for performance completed to date.

Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the

-The specific recognition criteria described below must also be met before revenue is recognised.

For all financial assets measured either at amortised cost or at fair value through other comprehensive income, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortised cost of a financial liability. When calculating the effective interest rate, the Group estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses. Interest income is included in finance income in the statement of profit and loss.

- 3 12 Indian Accounting Standards (Ind AS):
- Ind AS 37 Provisions, Contingent Liabilities & Contingent Assets Guidance on what constitutes cost of fulfilling contracts (to determine whether the contract is onerous or not) is included.
- Ind AS 41 Agriculture This aligns the fair value measurement in Ind AS 41 with the requirements of Ind AS 113 Fair Value Measurement to use internally consistent cash flows and discount rates and enables preparers to determine whether to use pre-tax or post-tax cash flows and discount rates for the most appropriate fair value measurement,
- Ind AS 101 First time Adoption of Ind AS Measurement of Foreign Currency Translation Difference in case of subsidiary/associate/ JV's date of transition to Ind AS is subsequent to that of Parent – FCTR in the books of subsidiary/associate/JV can be measured based Consolidated Financial Statements.
- (iv) Ind AS 103 Business Combination Reference to revised Conceptual Framework. For contingent liabilities / levies, clarification is added on how to apply the principles for recognition of contingent liabilities from Ind AS 37. Recognition of contingent assets is not allowed.
- Ind AS 109 Financial Instruments The amendment clarifies which fees an entity includes when it applies the '10 per cent' test in assessing whether to derecognise a financial liability.
- (vi) Disclosure of Accounting Policies Amendment to Ind AS 1 Presentation of financial statements The MCA issued amendments to Ind AS 1, providing guidance to help entities meet the accounting policy disclosure requirements. The amendments aim to make accounting policy disclosures more informative by replacing the requirement to disclose 'significant accounting policies' with 'material accounting policy information'. The amendments also provide guidance under what circumstance, the accounting policy information is likely to be considered material and therefore requiring disclosure. The amendments are effective for annual reporting periods beginning on or after 01 April 2023. The Company is currently revisiting their accounting policy information disclosures to ensure consistency with the amended requirements.
- Definition of Accounting Estimates Amendments to Ind AS 8 Accounting policies, changes in accounting estimates and errors The amendment to Ind AS 8, which added the definition of accounting estimates, clarifies that the effects of a change in an input or measurement technique are changes in accounting estimates, unless resulting from the correction of prior period errors. These amendments clarify how entities make the distinction between changes in accounting estimate, changes in accounting policy and prior period errors. The distinction is important, because changes in accounting estimates are applied prospectively to future transactions and other future events, but changes in accounting policies are generally applied retrospectively to past transactions and other past events as well as the current period.
  - The amendments are effective for annual reporting periods beginning on or after 01 April 2023. The amendments are not expected to have a material impact on the Company's financial statements.
- (viii) Deferred Tax related to Assets and Liabilities arising from a Single Transaction Amendments to Ind AS 12 Income taxes. The amendment to Ind AS 12, requires entities to recognise deferred tax on transactions that, on initial recognition, give rise to equal amounts of taxable and deductible temporary differences. They will typically apply to transactions such as leases of lessees and decommissioning obligations and will require the recognition of additional deferred tax assets and liabilities.
  - The amendment should be applied to transactions that occur on or after the beginning of the earliest comparative period presented. In addition, entities should recognise deferred tax assets (to the extent that it is probable that they can be utilised) and deferred tax liabilities at the beginning of the earliest comparative period for all deductible and taxable temporary differences associated with:
  - right-of-use assets and lease liabilities, and
  - decommissioning, restoration and similar liabilities, and the corresponding amounts recognised as part of the cost of the related assets.

The cumulative effect of recognising these adjustments is recognised in retained earnings, or another component of equity, as appropriate. Ind AS 12 did not previously address how to account for the tax effects of on-balance sheet leases and similar transactions and various approaches were considered acceptable. Some entities may have already accounted for such transactions consistent with the new requirements. These entities will not be affected by the amendments.

The other amendments to Ind AS notified by these rules are primarily in the nature of clarifications. Based on the preliminary assessment, the company does not expect these amendment to have any significant impact on its Standalone financial statements.

#### Note 15: Earnings per share (EPS)

Basic EPS amounts are calculated by dividing the profit for the period attributable to equity holders by the weighted average number of Equity shares outstanding during the year.

Diluted EPS amounts are calculated by dividing the profit attributable to equity holders by the weighted average number of Equity shares outstanding during the period plus the weighted average number of Equity shares that would be issued on conversion of all the dilutive potential Equity shares into Equity shares.

The following reflects the income and share data used in the basic and diluted EPS computations: (Amount in millions) March 31, 2023 March 31, 2022 (0.24)(0.32)Profit attributable to equity holders for basic earnings 67,567 67.567 Weighted average number of Equity shares for basic EPS\* 10 10 Face value per share (3.60) (4.75)

#### Note 16 : Fair Values

Basic earning per share (in Rs.)

The carrying values of financials instruments of the Company are reasonable and approximations of fair values,

The carrying values of financials instruments of the company are reasoned as			(An	nount in millions)
	Carrying a	Carrying amount		lue
	March 31, 2023	March 31, 2022	March 31, 2023	March 31, 2022
Financial assets				
Financial assets measured at amortised cost		0.13	0.05	0.13
Cash & Cash Equivalent	0.05		0.03	0.13
Other financial assets	•	W.		
Financial liabilities				
Financial liabilities measured at amortised cost	0.04	0.10	0 04	0.10
Trade payables		1.46	0.22	1.46
Borrowings	0.22		022	
Other financial liabilities	=	20	155.0	1.50

The management assessed that cash and cash equivalents, trade receivables, trade payables, bank overdrafts and other current liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

All financial instruments for which fair value is recognised or disclosed are categorised within the fair value hierarchy described as follows, based on the lowest level input that is significant to the fair value measurement as a whole.

Level 1: Quoted (unadjusted) price is active market for identical assets or liabilities.

Level 2: Valuation technique for which the lowest level input that has a significant effect on the fair value measurement are observed, either directly or indirectly

Level 3: Valuation technique for which the lowest level input has a significant effect on the fair value measurement is not based on observable market data.

<sup>\*</sup> There have been no other transactions involving Equity shares or potential equity shares between the reporting date and the date of authorisation of these financial statements

#### Note 18: Financial risk management objectives and policies

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls, and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities.

The Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework. In performing its operating, investing and financing activities, the Company is exposed to the Credit risk, Liquidity risk and Market risk.

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include loans and borrowings, deposits, FVTOCI investments and derivative financial instruments.

#### Interest Rate Risk

As infrastructure development and construction business is capital intensive, the Company is exposed to interest rate risks. The Company's infrastructure development and construction projects are funded to a large extent by debt and any increase in interest expense may have an adverse effect on our results of operations and financial condition. The Company current debt facilities carry interest at variable rates as well as fixed rates with the provision for periodic reset of interest rates. As of March 31, 2023, the majority of the Company indebtedness was subject to variable interest rates. In view of the high debt to equity ratios for the Company's infrastructure development projects, an increase in interest expense is likely to have a significant adverse effect on financial results.

The interest rate risk exposure is mainly from changes in fixed and floating interest rates. The interest rate are disclosed in the respective notes to the financial statement of the Company. The following table analyse the breakdown of the financial assets and liabilities by type of interest rate:

	(Ar	mount in millions)
	March 31, 2023	March 31, 2022
Financial assets		
Non Interest bearing	40	2
Other financial assets		
Cash and cash equivalent	0.05	0.13
Financial Liabilities		
Non interest bearing	0.22	1.46
Borrowings		
Trade and other payables	0.04	0.10
Other financial liabilities	0.00	0.00

#### Liquidity risk

Liquidity risk is the risk that the Company may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses. The Company's objective is to, at all times maintain optimum levels of liquidity to meet its cash and collateral requirements. The Company closely monitors its liquidity position and deploys a robust cash management system. It maintains adequate sources of financing including debt and overdraft from banks at an optimised cost.

The Company maximum exposure to credit risk for the components of the balance sheet at March 31, 2023 and March 31, 2022

The Company maximum exposure to credit risk to the service of the company maximum exposure to credit risk to the service of the company maximum exposure to credit risk to the service of the company maximum exposure to credit risk to the service of the company maximum exposure to credit risk to the service of the company maximum exposure to credit risk to the service of the company maximum exposure to credit risk to the service of the company maximum exposure to credit risk to the service of the company maximum exposure to credit risk to the service of the company maximum exposure to credit risk to the service of the company maximum exposure to credit risk to the service of the company maximum exposure to credit risk to the service of the company maximum exposure to the service of the company maximum exposure to the com				(Amount	in millions)

Trade and other payables	1.56	1.56			1.56

At present, Company does expect to repay all liabilities at their contractual maturity. In order to meet such cash commitments, operating activity is expected to generate sufficient cash inflows.

#### Note 19: Capital management

For the purpose of the Company's capital management, capital includes issued equity capital, convertible preference shares, share premium and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to maximise the shareholder value.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Company monitors capital using a gearing ratio, which is net debt divided by total capital \_The Company's policy is to keep optimum gearing ratio. The Company includes within net debt, interest bearing loans and borrowings, less cash and cash equivalents, excluding discontinued operations. (Amount in millions)

	March 31, 2023	March 31, 2022
	0.22	1.46
Borrowings	(0.05)	(0.13)
Less: cash and cash equivalents	0.17	1.33
Net debt		
	(0.21)	0.03
Equity	(0.21)	0.03
Total sponsor capital	(0.04)	1.36
Capital and net debt	(0.83)	48.48
Gearing ratio (%)		

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no breaches in the financial covenants of any interest-bearing loans and borrowing in the current period.

No changes were made in the objectives, policies or processes for managing capital during the year ended March 31, 2023 and March 31, 2022

## Note 20: Significant accounting judgement, estimates and assumptions

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenue, expenses, assets and liabilities, and the acCompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and future

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market, changes or circumstances arising that are beyond, the control of the Company. Such changes are reflected in the assumptions when they occur

Tax expense comprises of current and deferren tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act. 1961. Deferred income taxes reflects the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences of earlier years

Express
